Vellore Institute of Technology, Bhopal

CSE with Cybersecurity

GPA: 7.75/10

September 2021 – July 2025

Durgapur Public School (CBSE)

Percentage: 78%

June 2021 (Class XI-XII)

St. Michael's School (ICSE)

Percentage: 84%

June 2019 (Class X)

WORK EXPERIENCE

AI with Cybersecurity – SmartBridge

June 2023

Externship

Job-Title: Externship

- Used Nessus and IBM Qradar, amplifying security threat identification through advanced detection methodologies.
- Attacked and analyzed different targets and figured out the type of vulnerabilities present there in the website along with remediation methodologies.

SKILLS

- **Languages & Database:** JAVA, SQL, Python.
- **Protocols:** NIST Framework, OWASP top 10, TCP/IP.
- **Cybersecurity:** Reconnaissance, Gaining Access, Enumeration
- **Tools:** Burp Suite, Nessus, Wireshark,
- **Technologies:** AWS(VPC and IAM), Docker, Bare Metal.
- **Soft Skills:** Teamwork, collaborative, problem-solving

PROJECTS

Blockchain Development

Decentralized Secure Cloud Storage

September 2024 - November 2024

- Integrated React.js frontend with Node.js backend and IPFS for secure data storage
- Implemented MetaMask authentication and Hardhat for contract testing
- **Tech Stack:** React.js, Node.js, Solidity, Hardhat, IPFS, Smart Contract
- **GitHub:** [Deb07-Ops/Decentralised-secure-cloud](#)

Machine Learning

A-Secure Warning Platform From Web Attacks Using Machine Learning Techniques

December 2024 - February 2025

- Developed a system that equips users to thoroughly evaluate and rapidly identify the validity of input data, achieving 96% accuracy through Gradient Boosting Classifier Algorithm
- Analyzed and assembled NSDL-KDD dataset with 125,972 entries with 43 features to detect DDoS attack and Phishing URL dataset of 10,000 entries to detect phishing attacks
- **Tech Stack:** Python, HTML/CSS, Flask, Pickle, NumPy, Seaborn, Javascript.
- **GitHub:** [Deb07-Ops/Warning-platform-using-ML](#)

CERTIFICATES

- Certified Ethical Hacker (CEH) - EC-Council (Verify: [ECC7438925160](#))
- AWS Solutions Architect Associate (Verify: [Credly](#))

Extra - Curricular Activities and Achievements

- **Hobbies:** Reading Books, Playing & Analysing Football
- Championed participation in 2 CTF Competitions: KPMG CTF 2024, VIT Vellore CTF 2024.
- **Languages:** English, Bengali, Hindi.
